BRILLIANCE AUDIO, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 170 x 135 mm. Language: English . Brand New. Tennyson Don t get me started on the Bruiser. He was voted Most Likely to Get the Death Penalty by the entire school. He s the kid no one knows, no one talks to, and everyone hears disturbing rumors about. So why is my sister, Bronte, dating him? One of these days she s going to take in the wrong stray dog, and it s not going to end well. Bronte My brother has no right to talk about Brewster that way no right to threaten him. There s a reason why Brewster can t have friends why he can t care about too many people. Because when he cares about you, things start to happen. Impossible things that can t be explained. I know, because they re happening to me. Award-winning author Neal Shusterman has crafted a chilling and unforgettable novel about the power of unconditional friendship, the complex gear workings of a family, and the sacrifices we endure for the people we love. At once dark and darkly humorous, intense and intensely satisfying, bruiser may very well be Neal Shusterman s best novel yet. Put this one at the top of your must read list. Ellen Hopkins, New York Times bestselling author of Crank The English language needs another noun: a shusterman. It means a book that is guaranteed to grip you from beginning to end and leave you thinking about the characters for years, just like bruiser will. Buckle up and prepare for a great ride! Laurie Halse Anderson, National Book Award Finalist for Speak and Chains.
