

Inventing a Nation: Washington, Adams, Jefferson

Filesize: 4.04 MB

Reviews

A whole new e book with a brand new standpoint. I have read through and i also am certain that i am going to planning to read again yet again later on. I found out this book from my i and dad advised this pdf to learn.

(Audrey Lowe I)

INVENTING A NATION: WASHINGTON, ADAMS, JEFFERSON

Yale University Press. Paperback. Book Condition: new. BRAND NEW, Inventing a Nation: Washington, Adams, Jefferson, Gore Vidal, Gore Vidal, one of the master stylists of American literature and one of the most acute observers of American life and history, turns his immense literary and historiographic talent to a portrait of the formidable trio of George Washington, John Adams, and Thomas Jefferson. In *Inventing a Nation*, Vidal transports the reader into the minds, the living rooms (and bedrooms), the convention halls, and the salons of Washington, Jefferson, Adams, and others. We come to know these men, through Vidal's splendid and percipient prose, in ways we have not up to now—their opinions of each other, their worries about money, their concerns about creating a viable democracy. Vidal brings them to life at the key moments of decision in the birthing of our nation. He also illuminates the force and weight of the documents they wrote, the speeches they delivered, and the institutions of government by which we still live. More than two centuries later, America is still largely governed by the ideas championed by this triumvirate. "Pure Vidal. *Inventing a Nation* is his edgy tribute to the way we were before the fall."—Los Angeles Times Book Review "[Vidal offers] details that enliven and .reflections on the past that point sharply to today. " —Richard Eder, New York Times "An engaging [and] .unblinking view of our national heroes by one who cherishes them, warts and all."—Edmund S. Morgan, New York Review of Books "[Vidal's] quick wit flickers over the canonical tale of our republic's founding, turning it into a dark and deliciously nuanced comedy of men, manners, and ideas."—Amanda Heller, Boston Sunday Globe "This entertaining and enlightening reappraisal of the Founders is a must for buffs of American civilization and its discontents."—Booklist "Gore Vidal...
