Gabby Cat Publishing, United States, 2012. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Buggy Crenshaw is back! Beginning exactly where The Bungler's Paradox ended, The Deadwood Principle: Evolution is the first of two volumes that further document the adventures of 12-year-old Buggy Crenshaw, a self-proclaimed Warrior for the Greater Good of Mankind who regrettably often creates more problems than she solves. While still reeling over her first encounter with evil, Buggy is visited by the Rebel Phoenix Alabaster, an ancient and feeble creature whose cryptic message is only the beginning of one of her most harrowing adventures to date. While the Empress Legions begin their violent takeover of our world, Buggy and her friends scramble for a way to put a stop to the chaos before it's too late. Fueled by her unrivaled curiosity and admitted addiction to adventure, Buggy employs every bit of cleverness she has to save the world, but imagine her surprise when she learns that she was the scoundrel who caused this second coming of evil! The Deadwood Principle: Evolution is only the beginning, though. You won't want to miss this adventure's startling conclusion in the second volume, Buggy Crenshaw and...
