The fat autumn had now come with its abundant fare, and the caribou were not again molested. Flocks of grouse and ptarmigan came out of the thick coverts, in which they had been hiding all summer, and began to pluck the berries of the open plains, where they could easily be waylaid and caught by the growing wolf cubs. Plover came in hordes, sweeping over the Straits from the Labrador; and when the wolves surrounded a flock of the queer birds and hitched nearer and nearer, sinking their gray bodies in the yielding gray moss till they looked like weather-worn logs, . ijijj ne hunting was full of tense excitement, though the juicy mouthfuls were few and far between. Fox cubs roamed abroad away from their mothers, self-willed and reveling in the abundance; and it was now easy for two of the young wolves to...
