Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Elementary Economics Manual Consisting of Definitions, Quiz Questions, Problems and Summaries of Economic Theories The primary purpose of this manual is to meet the needs of the classes in elementary economics in the University of Wisconsin. It is the fifth revision and enlargement of a syllabus printed by the author for the use of his students in Washington and Lee University in 1908. Each revision has involved changes to remedy defects which actual experience in the class room have revealed. Some new problems and quiz questions have also been suggested from time to time by members of the teaching staff and have finally become incorporated in the sets of problems found in this book. This manual is based upon and designed for use in connection with Ely s Outlines of Economics. All the chapter headings and chapter numbers follow this text, with the exception of the chapters on Labor which are arranged with special reference to chapters 6, 7, 8, 9 and 10 in Carlton s History and Problems of Organized Labor. Outlines of recent...
