Createspace, United States, 2013. Paperback. Book Condition: New. 235 x 190 mm. Language: English . Brand New Book ***** Print on Demand *****.Grin Tails* Complete is a compilation of the delightfully fun Grin stories, and will amuse an audience of children through adults. This book has the colorful imagination of kids with the undercurrent of adult humor. It was developed with the help of the 5th grade classes at Ronald Reagan Elementary School in Nampa, Idaho. Additionally, all art work was done by children ages four to eleven. However, it isn't just for kids; adults will also find these stories fun. Grin Tails* are a kind of rearrangement of some traditional tales familiar to every one. And, of course, with the addition of children input, they are more delightful. In the words of teacher, Cierra Christian: Roy Rummeler graciously spent time brainstorming and sharing ideas with our students. Together they came up with some delightful ideas combined with Roy's sense of humor and story craft that are sure to entertain the young and young at heart.
