Cengage Learning, Inc, United States, 2015. Mixed media product. Book Condition: New. 272 x 213 mm. Language: English . Brand New Book. Ideal for classroom use, individual study, or professional training, **QUALITY MEDICAL EDITING FOR THE HEALTHCARE DOCUMENTATION SPECIALIST**, First Edition, is a timely, unique text designed to teach and reinforce essential skills for medical editors. Comprehensive in scope, this practical guide explains the differences between medical editing and traditional transcription; how to use technology, word expander programs, and computer accessories effectively; and ways to improve accuracy--including developing excellent listening skills and the ability to correctly decipher accents, identify medications, and distinguish soundalikes. The authors have also provided a variety of sample reports--including more than 200 medical reports and their corresponding dictation audio files. Reports span numerous specialties and document types, creating extensive opportunities to learn the medical editing process, practice formatting and editing, and become familiar with common errors produced by speech recognition. The text also features extensive information on professional development, continuing education, and earning credentials, as well as useful tips on gaining experience, finding employment, and advancing one's career. Abundant teaching and learning features--such as material on grammar and punctuation, review activities, critical-thinking exercises, and several appendices with key references and resources--make this text even more valuable for current and aspiring medical editors seeking career success.
