Religion: None: A Wake-Up Call for Humanity (Paperback)

By Robiere M DIV

Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Read this, whether you have no flock affiliation or you are trapped in the flock s bondage by that thick blanket of contrived coercion, pretense, and outright lies being forced down your throat and into your mind by the policies, politics, doctrine and dogma of a religious corporation in the name of the invented god/savior, so the corporation can grow, unrestricted, while collecting piles of tax-free money and controlling the sheep thru guilt, fear, and historical habituation. The similarities between the history of Roman bondage and current events is unsettling. Rome s use of the pseudonyms; Jesus, Christ, Saul, Paul, Peter, etc., to represent the real conspirators that began and built the lies into the religion designed to control the early Roman population and ended up controlling a great portion of the world. How it began, how you became enslaved, how to escape, and what is really in control.
