

Los Angeles in World War II

Filesize: 2.33 MB

Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Arcadia Publishing (SC). Paperback. Book Condition: New. Paperback. 128 pages. Dimensions: 9.2in. x 6.4in. x 0.5in. During World War II, the Los Angeles region underwent rapid industrial growth as Kaiser Steel opened a giant mill in Fontana, and the aircraft giants--North American Aviation, Lockheed, Douglas, and Hughes--expanded with war contracts. The war economy's demographic and ethnic dimensions included women and African Americans entering factory work and troops streaming through Union Station to San Pedro for embarkation. The Zoot Suit Riots defined the tensions between servicemen and the Mexican American community, and the internment of Japanese Americans led to the eventual disappearance of established neighborhoods. The war inspired home front efforts by local civic and academic institutions, by the entertainment industry, and by migrants from Nazi Germany. It led to the training of civilian corps, rationing, and vigilance for enemy activities. American participation in World War II from 1941 to 1945 energized the regions growing industrial infrastructure and spurred postwar economic and housing development. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
