

Democracy Development And Tribes In the Age of Globalised India Reality & Rhetor Vols. 1

By Ramdas Rupavath

2015. Hardcover. Book Condition: New. 351 ABOUT TH BOOK:- This book is putting together various issues from different states in India. The Tribal communities in India represent different levels of the deprivation in a larger, regional, and globalized world. This book aims to place the concept of democracy, development in the tribal context. This volume basically focuses to understand contemporary tribal societies which require a basic appreciation of the historical processes which have been determined the course of successive changes in economic, social cultural, ideological and political life of the tribes. Indian state and governments are talked about as models of federalism in a large and multinational society, ensuring rights of ethnic and religious groups in a truly pluralistic society, and striving for social justice in a society marked by social hierarchies for a long time. However the democratic experiment has notificant challenges, namely that of ensuring inclusive development. Economic equality, social justice, cultural pluralism, human rights, dignity and security are all important aspects of development which have been consolidated and expanded through the existing structure of participatory democracy. But this has not always been an easy task. Indian democracy has been intensively analysed, debated and criticized for a long time....
