YOU ARE NEVER TOO YOUNG OR TOO OLD TO BECOME A MILLIONAIRE: WRITTEN BY MICHAEL DUBASSO, A NOBODY. DID YOU KNOW THAT 99.999 OF ALL MANKIND ARE NOBODIES? (PAPERBACK)

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.I am not writing this book to generate money for myself. Nonfiction Book royalties can be good but one can t subsist on these. I am writing this text because I look around every day and see such sadness in many people because they are not happy with their lives monetarily. I talk to people who express this and see people on the street who obviously need help. Mostly through friends I hear their stories of lost jobs, their children who graduated college some with master degrees and can t find meaningful work, some who can t even work in fast food restaurants. When I first got the idea of helping people with a text dealing with how to change your life monetarily I wanted it to be a simple here is how; first do this and then do that. However as I gave more and more thought to the book I realized the success of generating a lot of money was based on my life s experience starting when I was seven years old. After giving much thought to my personal success I realized I was following my life s personal endeavor to achieve wealth and happiness which go together. This success started at age seven and continues today. In other words my autobiography! Many close friends and family have urged me over the decades to write about my life as it has been very unusual sometimes downright exciting. I have responded with an emphatic no. After all I m not famous; I m just another grain of sand in an ocean of sand within the vast world we live in. One night while having dinner at...
