Brand New Book ***** Print on Demand *****.Deep in the Arizona desert rests a house of secrets . a house of utter horror . a house that must burn to the ground. Mesa has secrets. Twelve, twenty, fifty secrets. Over the years she s learned to bury them, a collection of rotten seeds stowed away in the hidden parts of her, rooting deep down in that place where deception and sorrow are stored. Waiting, for that single ray of light to set them free. And now those secrets are surfacing, as Mesa begins to question the life she s so carefully cultivated. How far would you go for someone you love? How much pain would you endure to keep your family together? And what if the person you love was the source of your pain?.
