He asserted his spiritual leadership, and with avowed authority spoke in the name of the Deity. In addition to the principles of revealed religion which he promulgated, he made numerous prophecies. The publication of both places him at the mercy of Time. It is the purpose of this publication to ascertain and disclose the verdict which Time has thus far rendered. Time is the supreme test of a prophecy. He who undertakes to foretell events must know that Time in its merciless pursuit will find him out. Time is a foe of Fraud, but the never-failing friend of Truth. Now that the claims of Joseph Smith as prophet have been set up before the world for a century, it is proper that the verdict of Time should be ascertained. To disclose these findings, this small volume is given out. Only a few of the well-known prophecies are here considered. About the Publisher Forgotten Books publishes...
