Though Trafficking in prostitution is not the only sector trafficked women work in, this work will, however, concentrate on this issue since trafficking in women in prostitution contemporary seems to be the most problematic one- in the field of politics as well as in the civil society or science. The question that will be followed in this work is, if the current approaches can provide effective tools to fight trafficking in women by looking at the contemporary discussions and actions that were taken concerning this issue. In the first chapter, a definition of trafficking in women will be given due to the many connotations the term carries along with it, providing different perspectives and also stereotypes....
