Programs of the Economic Opportunities Development Corporation of San Antonio, Texas, need operating improvements, including more effective delivery of services, better compliance with program requirements, and the collection of sufficient data for reporting program accomplishments. The Alcoholic Rehabilitation Program benefited participants, but there was inadequate documentation related to group counseling sessions. The Adult Manpower Program placed 1, 478 of 2, 560 participants in jobs after training. Employability development plans need to be more comprehensive. The Public Service Employment Program provided employment opportunities, but some employment was not public-service related; some participants remained in subsidized jobs for up to 2 years. Other programs reviewed were the Alternate Care Program, which contract was terminated, and the Barrio Betterment and Development Corporation. In relation to the corporations financial and administrative activities: information concerning alleged improper political activities was turned over to the Justice Department; the financial management system needs to be strengthened to provide internal control over expenditure of funds; and a leasing company was not established in accordance with procedures. The Director of the Community Services Administration should

Reviews

An exceptional pdf and the typeface utilized was fascinating to read through. It can be writter in straightforward words and phrases instead of confusing. I am just quickly could possibly get a delight of looking at a written ebook.
