Digireads.com, United States, 2010. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Balthasar Gracian y Morales (1601-1658) assumed his final vows of the Jesuits in 1635, having been raised by his uncle, a priest, and studying theology in Zaragoza, Spain. Gracian became quite famous as a preacher, and wrote a number of literary works concerning politics, practical advice for life, and philosophy. Today he is known as the most representative writer of the Spanish baroque style called Conceptismo (Conceptism), a literary style characterized by succinct and subtle expressions of witty, significant ideas. The Art of Worldly Wisdom is a collection of about three hundred maxims and advice with commentary. His poetic use of rhetoric made Gracian appealing to readers, but because he published much of his work without the permission of his superiors, he was chastised by the church, and eventually sanctioned and exiled. This book was Gracian s most internationally popular work, and was translated into German by Schopenhauer, and into English by Joseph Jacobs in 1892.
