iUniverse, United States, 2010. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A small team from the US Navy arrives in Vietnam in the spring of 1962. At first, its members only hear whispers about what they are supposed to accomplish. The unit goes by the name MTT 10-62 because its mission is so secret. This is the first Sea, Air and Land team-later known as the SEALs-and it s gearing up to train a group of volunteers from the Vietnamese Junk Force in counterinsurgency and maritime warfare. Told mostly through the perspective of Chris Doc David-a first class hospital corpsman, first class diver, and diving medical technician-and Lt. Bill Evans, SEAL Doc shows how the first SEALs work in conjunction with Army Special Forces and others to stop the spread of communism. While the SEALs are outstanding fighters and tacticians, they get little material support to accomplish their mission. The team arrives in Da Nang with nothing but stateside uniforms, and their vehicles and gasoline must be liberated from Vietnamese motor pools. Meanwhile, the daily challenges the SEALs face are preparing them for a final explosive mission and setting the stage for the future development of Navy SEALs in SEAL Doc, a historical novel based on the true story of the SEALs.
